The World of Packaging & Disposables

ABOUT US

Located in Amman, Jordan – Alhadaf International Company (RZ) is recognized as a top provider of food-packaging and consumable solutions in the region. With over 26 years of industry experience, 18 in-house production lines, and a portfolio of 2,000+ products, RZ is distinguished by its commitment to high quality and competitive pricing.

Beyond serving the local market, RZ exports its products to over 24 countries worldwide. Our extensive client base includes wholesalers, distributors, hotels, restaurants, bakeries, airlines, hypermarkets, and retail stores.

Our factories are equipped with advanced machinery imported from various countries – including Germany, Italy, France and Switzerland, supporting 18 specialized production lines. This technology enables the manufacturing of a diverse range of packaging and disposable products, ensuring consistent quality and compliance with international standards.
