Enriching Lives Through Innovation

bioactives.co.jp

Specialities

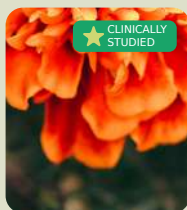

VitaLutein™

Botanical Source

Tagetes erecta/ Flower

Standardized

Lutein & Zeaxanthin

Feature

Indication

Eye care Antioxidant

Cognitive Health

Skin care

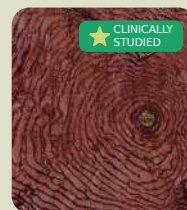

SALCITAL™

Botanical Source

Salacia reticulata/ Root & stem

Standardized

Inhibition of α -glucosidase

Feature

Indication

Metabolic syndrome

Diabetes control

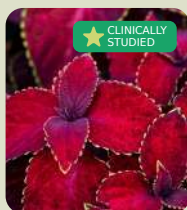

FB³™

Botanical Source

Coleus forskohlii/ root
Salacia reticulata/ root & stem
Sesamum indicum/ seed

Standardized

Proprietary Blend

Feature

Indication

Weight management

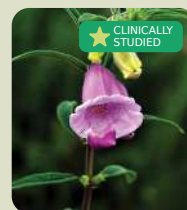

Sesavita™

Botanical Source

Sesamum indicum/ seed

Standardized

Sesamin

Feature

Indication

Antioxidant

Diabetes control

Liver protection

Fenusulin™

Botanical Source

Trigonella foenum-graecum/ seed

Standardized

4-hydroxyisoleucine

Feature

Indication

Diabetes control

Cholesterol management

UkonMaX™

Botanical Source

Curcuma longa/ rhizome

Standardized

Curcuminoids

Feature

Indication

Liver protection

Antioxidant

Anti-inflammatory

Anticancer

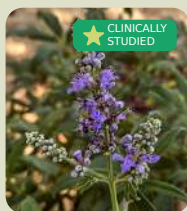

VitaLady™ (Vitex Agnus)

Botanical Source

Vitex agnus-castus/ fruit

Standardized

Agnuside

Feature

Indication

Women's Health

Zinberin™

Botanical Source

Zingiber officinale/ root & rhizome

Standardized

Total Gingerols, Shogaols

Feature

Indication

Anti-inflammatory

Immunity enhancer

Digestive aid

Beverage

Jelly

Tablet

Soft Capsule

Hard Capsule

Soluble

Dispersion

Alpha Lipoic Acid

Botanical Source
Thioctic acid (Chemical synthesis)

Standardized
 α -lipoic acid

Indication

Diabetes Control Weight management

Banaba Extract

Botanical Source
Lagerstroemia speciosa leaf

Standardized
Corosolic acid

Indication

Diabetes control

Amaranthus Extract

Botanical Source
Amaranthus cruentus leaf

Standardized
Nitrates

Indication

Sports Nutrition Cardiovascular Immunity

Beet-Rite™ (Beetroot Extract)

Botanical Source
Beta vulgaris tuber

Standardized
Nitrates

Indication

Sports Nutrition Cardiovascular Immunity

Vitalicā™ (Amla Extract)

Botanical Source
Embolica oficinalis/ fruit

Standardized
Tannins

Indication

Antioxidant

BetaColor™ (Beta Carotene)

Botanical Source
Dunaliella salina algae

Standardized
Beta carotene

Indication

Eye health Immunity Antioxidant

Vitalicā™ (Amla Juice Concentrate)

Botanical Source
Embolica oficinalis/ fruit

Standardized
Polyphenols

Indication

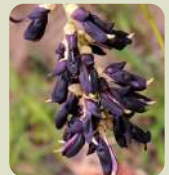

Antioxidant Energy Enhancer

BioDopā™

Botanical Source
Mucuna pruriens seed

Standardized
L-Dopa

Indication

Energy Enhancer

Ashwaforce™ (Ashwagandha Extract)

Botanical Source
Withania somnifera root

Standardized
Withanolides

Indication

Stress / Anxiety Endurance Sexual health

Metaperine™ (Black Pepper Extract)

Botanical Source
Piper nigrum fruit

Standardized
Piperine

Indication

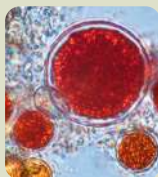

Bioavailability enhancer

Astaxanthin

Botanical Source
Haematococcus pluvialis

Standardized
Astaxanthin

Indication

Antioxidant Anti-inflammatory Skin care

Boswellia Serrata Extract

Botanical Source
Boswellia serrata tree resin

Standardized
Boswellic acid

Indication

Anti-inflammatory Joint care

Beverage

Jelly

Tablet

Soft Capsule

Hard Capsule

Soluble

Dispersion

Bacopa Monnieri Extract

Botanical Source

Bacopa Monnieri leaf

Standardized

Bacoside A & B

Indication

Memory enhancer Reduces anxiety

Cacaonext™ (Cacao Seed Extract)

Botanical Source

Theobroma cacao seed

Standardized

Theobromine Polyphenols

Indication

Antioxidant Diabetes control

Centella Asiatica Extract

Botanical Source

Centella asiatica leaf

Standardized

Total triterpenes

Indication

Cognitive function Reduces anxiety & stress Skin health

Glucosamine Hydrochloride

Botanical Source

Natural shrimp shells

Standardized

Glucosamine HCl

Indication

Anti-inflammatory Joint care

Coffee Beans Extract

Botanical Source

Coffea arabica/ seed

Standardized

Chlorogenic acid

Indication

Weight management

Glycerolphosphorylcholine

(α-GPC)

Botanical Source

Glycine max seed

Standardized

Glycerophosphatidylcholine

Indication

Reduces anxiety Memory enhance

Cumin Extract

Botanical Source

Cuminum cyminum seed

Standardized

Indication

Diabetes control

Grape Seed Extract

Botanical Source

Vitis vinifera/ seed

Standardized

Polyphenols

Indication

Antioxidant

Curry Leaf Extract

Botanical Source

Murraya koenigii leaf

Standardized

Flavonoids

Indication

Digestive support Weight management Blood sugar management

Green Tea Extract

Botanical Source

Camellia sinensis leaf

Standardized

Polyphenols

Indication

Metabolic syndrome Weight management Antioxidant

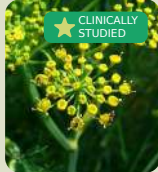

Fendigest™ (Fennel Extract)

Botanical Source

Foeniculum vulgare seed

Standardized

Indication

Weight management Diabetes control

Guarana Extract

Botanical Source

Paullinia cupana seed

Standardized

Caffeine

Indication

Weight management

Beverage

Jelly

Tablet

Soft Capsule

Hard Capsule

Soluble

Dispersion

Guava Leaf Extract

Botanical Source

Psidium guajava leaf

Standardized

Saponins

Indication

Blood sugar management

Anti-diabetic

Immunity

Gymnema Sylvestre Extr

Botanical Source

Gymnema sylvestre leaf

Standardized

Gymnemic acid

Indication

Diabetes control

Garcinia Cambogia Extra

Botanical Source

Garcinia cambogia fruit

Standardized

Hydroxycitric acid

Indication

Appetite suppressant

Reduces anxiety

Healthalluma

Botanical Source

Caralluma fimbriata leaf

Standardized

Pregnane glycosides

Indication

Weight management

Garlic Extract

Botanical Source

Allium sativum rhizome

Standardized

Allicin

Indication

Cholesterol management

Omega-3 Fatty Acids

Botanical Source

Sardine

Standardized

DHA, EPA

Indication

Cholesterol management

Holy Basil Extract

Botanical Source

Ocimum tenuiflorum leaf

Standardized

Ursolic acid

Indication

Antioxidant

Diabetes control

Phosphatidylserine (P

Botanical Source

Glycine max seed

Standardized

Phosphatidylserine

Indication

Reduces anxiety & stress

Memory enhancer

Hyaluronic Acid

Botanical Source

Rooster comb

Standardized

Glucuronic acid

Indication

Joint care

Skin care

Policosanol (Octacosanol)

Botanical Source

Saccharum officinarum wax

Standardized

Octacosanol

Indication

Cholesterol management

Lycogex™ (Lycopene)

Botanical Source

Solanum lycopersicum fruit

Standardized

Lycopene

Indication

Eye health

Skin health

Anti-oxidant

Mangosteen Extract

Botanical Source

Garcinia mangostana fruit peel

Standardized

α-mangosteen

Indication

Antioxidant

Beverage

Jelly

Tablet

Soft Capsule

Hard Capsule

Soluble

Dispersion

Methylsulfonylmethane

Botanical Source
Wood / lignin

Standardized
MSM 99%

Indication

Anti-inflammatory Joint care

Pomma™

(Pomegranate Juice Concentrate/Extract)

Botanical Source
Punica granatum fruit peel

Standardized
Polyphenols

Indication

Antioxidant Energy Enhancer

Momordica Charantia Extract

Botanical Source
Momordica charantia fruit

Standardized
Charantin

Indication

Sugar control Digestive Health Weight Management

Psyllium Husk Powder

Botanical Source
Plantago ovata seed coat

Standardized
Psyllium Mucilloid

Indication

Weight management Digestive aid

Moringa Oleifera Extract

Botanical Source
Moringa oleifera fruit

Standardized
Glycosides

Indication

Energy enhancer

Rosemary Extract

Botanical Source
Rosmarinus officinalis leaf

Standardized
Ursolic acid

Indication

Antioxidant Skin care

Senna Extract

Botanical Source
Cassia angustifolia leaf

Standardized
Sennosides

Indication

Laxative Detox / Gut Health

Saw Palmetto Extract

Botanical Source
Serenoa repens fruit

Standardized
Fatty acids

Indication

Prostate care

Shatavari Extract

Botanical Source
Asparagus racemosus root

Standardized
Shatavarin

Indication

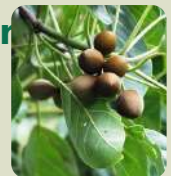

Women's Health

Terminalia Belerica Extract

Botanical Source
Terminalia belerica fruit

Standardized
Polyphenols

Indication

Antioxidant Energy enhancer

Soy Isoflavone Extract

Botanical Source
Glycine max seed

Standardized
Aglycone

Indication

Women's Health

White Kidney Beans Extract

Botanical Source
Phaseolus vulgaris seed

Standardized
 α -amylase inhibition

Indication

Carbohydrate blocker
